

## GBA Strategic Plan 2017-2022

<b>Strategic Purpose</b>
To represent the interests of our member associations to all levels of government (Municipal, Provincial, Federal, and First Nations, including regulatory authorities) and others (i.e. NGOs), corporate entities, individuals or key stakeholders to preserve the unique characteristics and ensure the careful stewardship of Georgian Bay.
<b>Core Values</b> - The organization will:
<ol style="list-style-type: none"> <li>1. be responsive to the needs of our member associations;</li> <li>2. maintain good relationships with government and non-government organizations;</li> <li>3. operate in a style that is one of collaboration and partnership building;</li> <li>4. conduct its affairs with integrity and with a view to maintaining its excellent reputation;</li> <li>5. maintain a Board of Directors that is comprised of engaged and qualified individuals drawn from our member associations; and</li> <li>6. maintain a high caliber Executive Director and staff.</li> </ol>
<b>Key Deliverables</b>
<ol style="list-style-type: none"> <li>1. Take a leadership role in promoting the protection and guardianship of Georgian Bay, its islands, surrounding lands and watersheds.</li> <li>2. Liaise with other organizations and media as appropriate to advance our purpose.</li> <li>3. Maintain a network of contacts at all levels of government (Municipal, Provincial, Federal, First Nations) and make deputations, write letters, make phone calls to these people as appropriate to advance GBA's opinions on issues.</li> <li>4. Stay current and be proactive on issues that may impact Georgian Bay.</li> <li>5. Serve as a resource network for our member associations in order that they may dialogue with one another, share ideas and join forces when appropriate to address common issues.</li> <li>6. Maintain and expand our network of member associations. Help each association build and maintain its membership base by providing information, best practices and support.</li> <li>7. Communicate regularly with the presidents of our member associations, providing them with information that can be shared with their members as appropriate. Maintain GBA's UPDATE, website, the recently launched eUpdate, FaceBook page, Twitter account and YouTube content and additional high caliber communication vehicles as required.</li> </ol>

<b>Areas of Focus</b>
