Subject: Floating Container Structures as Dwellings within Municipal Waterways

Pages: 2

FLOATING CONTAINER DWELLINGS IN THE TOWNSHIP OF GEORGIAN BAY

Port Severn, Township of Georgian Bay, Ontario – Over the past few months concerns about container dwellings have been received from many residents.

Using a Floating Structure as a dwelling unit is an illegal use per the Township of Georgian Bay Zoning By-law 2014-75, as amended. The Municipality reserves the right to take enforcement actions as deemed appropriate to ensure compliance with the Zoning By-law.

The Township of Georgian Bay has been actively working with multiple partner agencies to ensure compliance to all applicable regulations and by-laws, as well as determining the most appropriate enforcement actions.

As the Township is not the only jurisdictional authority addressing these matters it is recommended that concerns also be directed to provincial and federal agencies.
